

**Lakeshore Nature Preserve
Planning & Implementation subcommittee**

DRAFT-Purpose/Goals statement

For discussion at May 25, 2010 Preserve committee meeting

The Planning and Implementation subcommittee of the UW-Madison Lakeshore Nature Preserve committee will:

1. Recommend Preserve management guidelines
2. Recommend management priorities
3. Review proposed Preserve projects and make recommendations concerning approval
4. Facilitate the development of appropriate short vision statements for each area of the Preserve consistent with the 2006 Master Plan
5. Undertake other tasks as requested by the Preserve Committee

Decisions will be made by the full Preserve Committee after reviewing the subcommittee's recommendations.
