

THE UNIVERSITY OF WISCONSIN

SUMMER SESSION

CAMP GALLISTELLA

A Tenting Colony for Families

For the benefit of school men wishing to attend Summer Session and at the same time have their families with them, the University maintains a tenting colony on the shore of Lake Mendota, two miles from the campus. The spot is very beautiful, the boating, swimming, and fishing are excellent.

The University provides individual board platforms, two screened, electric-lighted study halls, two deep wells (tested), garbage collection, and outdoor comfort stations. Campers furnish all their own needs. There is daily mail and periodic milk and ice delivery. There is a telephone available at headquarters. Bottle gas is supplied by a local company for those who wish to purchase it. The grounds are kept as natural as possible to preserve their beauty and keep down expense. Mail address, University Tenting Colony, Marine Service, Madison, Wisconsin.

The Colony was founded in 1912 and has been very popular. Early application for space is advisable.

Children are especially fond of camp, although there is no formal program for them.

Self-government is practiced, and all cooperate in that and the social activities.

A. F. Gallistel, Director of Physical Plant Planning, who lives in camp with his family during the summer, is the administrative officer in charge.

Super markets and elaborate shopping centers are within one mile. A city bus runs within one-half mile.

Campers furnish their own transportation (very good roads), and all equipment. The main path is lighted until 10:30 p.m., but current is not available to platforms.

The University imposes the following rules:

1. Privilege of camping in the colony is restricted to men or families, that is, married couples or children with one or both parents.

2. At least one member of each family must be regularly enrolled in the Summer Session.

3. An advance fee of fifteen dollars (\$15) per platform is required, and no space will be assigned until fee is received. If written notice of cancellation is received before June 1, fee will be refunded.

4. The University reserves the right to withdraw at any time the privilege of remaining in the colony from those whose presence shall prove undesirable for any reason.

5. Campers are entirely responsible for their own business arrangements. The University assumes no responsibility for the welfare of residents of the camp, or the protection of their property, and campers may not ask for service or assistance from University employees.

6. The terrain is not suitable for house

railers.

There are two Tent and Awning companies in Madison:
