3. Junior Council could plan get-togeth
4. There could be 9:00 P.M. swim on
pleasant nights. A buddy system
should be formed and the Junior
Council should choose an adult to be
with them each night.
5. Art Willett suggested we have the
Junior Council take hollyhock seeds to
each platform, so we could form a
hollyhock city.
6. The Junior Council could set up
the messenger service and take care
of their picnic.

It was decided that the Executive Council ask the families to put their names on their tent or tent house so we campers will would learn to know each other better.

It was suggested that the Aldermen inform the campers as to the rules of one way traffic on the road going in front of our platform. It was suggested that John Weske inquire of Mrs. Gallistel as to where permanent traffic signs, "One Way" and "Exit".

The pier was discussed. Muff Johnson reported that the pier boards were spaced too far apart endangering our children. It was suggested the boards be moved closer together to prevent accidents. It was decided that the pier be repaired and Muff Johnson offered his services.

Art Willett made a motion that we should assess each platform family \$1.00 for the Camp Activity Fund. The motion was seconded by Muff Johnson and was unanimously voted on by the rest of council.

The historian Art Willett volunteered to take an early census of the camp. To keep in cool and interested

delicious refreshments were served by our host and hostess, Lucy and Al before the close of the meeting. We did appreciate their thoughtfulness.

It was suggested we dedicate our ^{last} camp paper the Breeze to our former friend and camper Bob Lee.

It was moved and seconded the Council be adjourned.

Special guests were introduced: Van Lee, back for a week's visit, and Mr. & Mrs. Hallstad. With the help of the weather man, Mr. Hallstad reported that there would be weather all summer. Mrs. Hallstad spoke briefly. Election of a new mayor followed. Marvin Johnson, of Breckel was elected. The minutes of last year's town meeting and council meetings were read and approved. Duties of the various officers were explained. Election of the rest of the officers followed. The list of officers for the following year are:

Recreation Director: Mr. & Mrs. Dick Durigan
Street Commissioner: Harvey Waffle
Post Mistress: Lyles Durnford

Sanitary Commissioner: Durward Miller
Historian: Duke Elbow and family -
Mrs. Hallstad suggested a messenger.

service chairman David Shipworth was elected. Mrs. Hellested requested that five cards be presented at the cottage at some convenient time, and promised to have the camp rules distributed in the near future. Bud Hardroth announced the plans to make a movie of Camp Hellested. An executive meeting was called by the new mayor, the meeting to be held at platform 38 at 7:30 Wednesday evening, June 27. The meeting broke into two sections, the East Ward electing Anna Vail, alderman, and the West Ward electing Charles Gust. The meeting adjourned.

Executive Council meeting

The first 1956 council meeting was held at the home of Marvin Johnson on June 27th at seven thirty P.M. All executive officers were present. The meeting was called to order by Mayor Johnson. The council outlined the following program for the summer:

Thursday, July 10th

A get acquainted potluck picnic at 5:45 O'clock. Mrs. Emil Glover was appointed chairman, to choose her own committee. Our recreational directors, Mr. and Mrs. Dick Durigen will be in charge of the programs.

Saturday, July 28th

Water Carnival. Mr. & Mrs. Dick Durigen, recreational directors will plan and have charge of the carnival.

Wednesday, August 8th

Camp Picnic. Mrs. Rae Johnson, wife of the mayor, will be chairman, and committees will be announced by her later.

A date for the women's tea will later be selected.

Clean up week is to be held from June 29th to July 6th. Sanitary Commissioner Durward Miller announced that university trucks will pick up rubbish on the lower

road on July 6th. He will also arrange to have rakes available at platform 28. Marjorie Hardroth will place notices announcing the clean-up on the bulletin board and pumps. Study halls are to be cleaned as soon as possible.

Because of the danger of an open fire left to burn without a watcher, Mrs. Lyles Quimford suggested that an empty barrel be obtained and used as an incinerator at the top of the hill. Sanitary Commissioner Miller will ask Mr. Gallistel for a barrel to be used for that purpose.

The aldermen were instructed to find where lights are missing on the lower road, in the study hall and to report to the constable for replacement. The aldermen were also instructed to place in each sanitary station a copy of the regulations and a list for families to sign for clean up purposes.

Street Commissioner, Harry Waffle will discuss with Mr. Gallistel ways of preventing traffic through camp.

Arma Vail moved that each platform be assessed one dollar for general camp operation. Marjorie Hardroth seconded the motion and it was passed unanimously.

Use of the pier was discussed, and it was felt that stringent rules be observed.

*
 about young non-swimmers being allowed on the pier. everything to be accompanied by a parent or designated adult. It was agreed by all present that the pier would be used under the rules of ^{the} Water Safety Program of the American Red Cross, and that all persons in camp would abide by these decisions. All campers are to be notified of this decision.

It was decided that we ask the families to put their names on their tent houses, so we campers would learn to know each other better.

Merle Ferris, editor of the Breeze volunteered to take an early census of the camp.

It was hoped that all campers could take their problems to their aldermen for help.

After all business was transacted it was moved and seconded that council adjourn. Our host and hostess Rae and Muff Johnson served delicious refreshments, which we did enjoy.

 Marjorie Herdeth, clerk, Res.

The 46th Annual meeting of Camp Gallistella was held at Sam Hill Park. Because Art Willett did not return this year, Lloyd Johansen, Racine, swung the gavel. After a welcoming speech by Johansen, the campers introduced themselves in order by platform.

Mrs. Gallistel gave campers an interesting and informative briefing, followed by Mr. Gallistel, who was anxious to ease the minds of campers concerned with "weather".

Then the new officers were elected as follows:

Minutes of the Executive Council--

Camp Gullistella - 1958

The Executive Council meeting was held July 9 at 7:00 at the Mayor's residence. Mayor Steve Storer brought the meeting to order.

The first item of new business was regarding study hall. It was decided the Alderman be in charge of seeing they be put into shape for use by Monday, July 14.

Care of toilets was discussed and the Sanitary Commissioners were to see that lists were placed in them so we could begin our rotation for their maintenance.

Camp Cleanup -- the removal of all debris and rubbish around the platform including vacant ones -- was next item of business. Since we did not know when we could get University trucks for the pick-up, Dick Duragon was put in charge of making the necessary arrangements and posting the announcement of date, etc. in conspicuous places. In connection with this cleanup, Mr. Harris was to be motivator for a weed-pulling project on the lake swimming area and also the lake shore areas at the pier. Sanitary Commissioners Gene Jacobson is

in charge of taking the necessary action against anyone using the camp grounds.

Census - Editor of Breeze, Leger Cross was made responsible for getting the census taken. She would then turn the information over to the Recreation Director and they would then be responsible for getting messenger service schedule set up. It was hoped a regular messenger service could be installed by Monday, July 14. In the meantime the Recreation Director, Lyle Gorder agreed to see that available mangers from nearby platforms would carry on a temporary service.

The following calendar of events was discussed.
Messenger picnic - Would be held at end of camp season with time, etc. to be handled by Race and Water Carnival - August 1 at 2 p. m.

Picnics - It was decided to have one early as well as late one - the first to be handled by all men and wives - Mrs. Newton volunteered his wife as main organizer for the event - Date: July 16.

Second Picnic - Mayor's wife in charge - Date: Aug. 12
Women's Tea - Tentatively set for 30th of July - To be handled by Mayor's wife.

Platform agreement - Lyle Gorder made a motion that we assess each platform \$1.00 for operating expenses. This motion was carried.
Sunday night sing - Leger Cross suggested she would find qualifying leaders as she takes

census-

Screens for study halls were discussed. Before we replace any with money from camp treasury, it was recommended we ask Mrs. Gullbital first to see if it could be done by University.

It was suggested everyone, again this year, see that their names are placed in some visible spot on their tent so we can get to know each other more readily. Officers are to place placards of office on tents.

Parking facilities were questioned and it was agreed the rule of "squatter's rights" held. However, any cars parked elsewhere than in parking areas must be moved to regular parking spaces. Road Commissioner is to see that signs are properly placed to discourage sightseers, etc.

The matter of getting the diving board ready for use was brought up. Recreation Directors were put in charge of project.

It was decided another meeting would be called only if and when necessary.

A motion to adjourn was made by Mrs. Spencer and that motion was carried.

Respectfully submitted,

Shirley Gorder

Town Meeting 1959 - June 25

The 47th annual meeting was held in the cottage because of rain. The past mayor, Steve Stover, called the meeting to order and welcomed all campers, new and old. The past ~~secretary~~^{clerk}, Shirley Bender, read the minutes of last year's meeting, and they were approved as read. Introduction of campers by platform was done by one member of each family introducing the family and giving the home town, field of study and number of years at camp.

Mrs. Ballistat welcomed the campers and requested that fee cards be brought to the cottage in the near future and that all campers be sure to have a copy of the rules here and to see that any guests also know the rules. Mr. Ballistat gave his annual weather forecast without the aid of the Vof W weather satellite, which unfortunately did not go into orbit. However, if the July attempt ~~it~~ is successful, he promised to deliver an amended forecast for the rest of the summer.

Election of officers for 1959 was conducted by Steve Stover. Results are as follows:

Minutes of Executive Council, June 30, 1959

The executive meeting was held at 7:00 at the tenthouse of the mayor, Bob Cross. Council members were welcomed in out of the rain with hot coffee and cookies. Highlights from last summer's council minutes were read and it was decided to make up the camp calendar. The following events were scheduled:

Get acquainted picnic - Wed, July 8
The aldermen and wives will be in charge.
Nancy Storer (sitting in temporarily for Enid Storer - postmistress) volunteered to make signs. Nancy also reported that she has the messenger service organized. The time of the picnic will be 6:30. Each family will bring one hot and one cold dish plus table service. Punch and coffee will be provided. It was suggested that the aldermen auction off anything still in the study halls by the time of the picnic.

Messenger picnic - Date will be set at a later time by the recreation director

Water carnival - Wed, July 29, 2:00 PM

Womens Tea - Tue, July 21
Mayor's wife in charge of the tea

It was agreed to hold Sunday night sings at Sam Hill Park. Margie Larsson will see that leaders are provided. It was suggested that the last Sunday night sing (Aug 9) be a special occasion with homemade ice cream, informal program, and invitation of guests if desired. This would take the place of the final picnic, which was agreed to be a good deal of work and perhaps over-organization.

An assessment of one dollar per platform was voted upon and passed. The street commissioner is to arrange a clean up day and get University trucks to pick up discarded trash.

As an aid to camp publicity. Zeke Newton volunteered to obtain camp pictures from the photographer and make a poster to be displayed in the Housing Office prior to summer school next year. The meeting was then adjourned.
