Lakeshore Nature Preserve Subcommittees

Preserve Committee subcommittees are formed to provide an additional opportunity for more detailed discussion on specific topics, and the exploration and formulation of recommendations for Preserve Committee action. Subcommittee meetings and discussion are led by a member of the Preserve Committee and the meeting is facilitated by a Preserve staff member. Participation on the subcommittees is open to the public and interested Preserve stakeholders.

- **Planning and Implementation Subcommittee** – reviews project proposals and special projects which arise from time to time.

2018 planned activity: Subcommittee will meet between Nov. 1st and Nov. 16th to review submitted project proposals for 2019 and draft a recommendation to the full Preserve Committee for action at the November meeting.

- **Education Subcommittee** – facilitates the student engagement grant process including recommendation of selection of awardees.

2018 planned activity:

- Sept-Oct: review previous request for proposals, and consider changes to RFP, timeline and outreach efforts; report actions to the Preserve Committee in October
 - Oct-Feb: assist with outreach to inform students and faculty of student engagement grant program
 - Feb: review grant proposals and rank applicants and report recommendations to the Preserve Committee at the March meeting
- **Communications Subcommittee** – Advise and support Preserve staff with outreach efforts as needed.
